Get maximum attention

Advertisements in the trade fair catalogue and in the pocket guide

We offer ad formats in the following media:

Trade fair catalogue

This comprehensive medium for trade fair visitors is intensely used as reference prior to, during, and after the trade fair.
By placing ads, you get users' attention for your products.

Pocket guide

The "pocket guide" is a handy map with the most important information to be carried around easily, its purpose is to provide a quick orientation on the trade fair site. Due to its compact form, it guarantees your ad the maximum attention. The high-circulation Pocket Guide will be handed out to visitors free of charge.
